When we see all the evil that is taking place in our world today, it should remind us that God's Word tells us not to be fearful, but to "go into all the world and preach the gospel to every creature." The only cure for all the ills in our sinful world is trusting in the Lord Jesus as our Savior. We are to counteract those who are "proud, blasphemers, unholy, without natural affection, fierce, false accusers, etc." with the Gospel of Jesus Christ. The devil is certainly ramping up his attacks so we as believers must ramp up our witnessing. And that's where the Little Book Ministry can be a great tool. We've already received many requests for display racks and books during the first three months of 2024. Praise the Lord!

On April 8th, we found it so interesting to see so many people standing outside, looking through special "Solar Eclipse Glasses", as the moon overshadowed the sun. In some places it brought total darkness. We couldn't help but think that the Great Creator, God Almighty, is the One who not only caused the eclipse, but He's the one who created the sun and moon in the first place! Psalm 19:1 speaks to that fact, "The heavens declare the glory of God and the firmament shows His handiwork." Further on in Psalm 19 it states, "There is no speech or language where their voice is not heard." In other words, God has shown himself to all men through His creation.

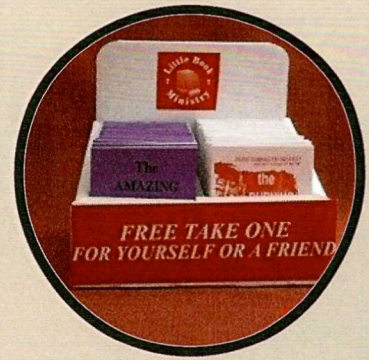

Isn't it wonderful to know that our great God, who created all things just by speaking them into existence, trusts we who are Christ-Followers to carry His Gospel to those who haven't yet accepted Him?! What an awesome privilege as well as an awesome responsibility. We hope everyone who is reading this newsletter is active in witnessing to the lost. Even if you're shy and don't know what to say, you can hand a Little Book to someone and tell them, "Jesus loves you!" Then, you can pray that the Holy Spirit will speak to them through that book and that they will accept Jesus as Savior. It will be so wonderful when we are all gathered in heaven someday and we get to meet all who came to Jesus because we cared enough to witness to them of God's mercy and grace.

We want to say "Thank You" to all of you who faithfully support LBM in prayer as well as financially. Your love to this ministry is greatly appreciated.

## How to share little books...

...just a few examples-so many opportunities to share God's love and give hope!

### HOW TO "ADOPT" A DISPLAY RACK

"Adopting" a display rack is simple - just send us an e-mailed or postal mailed request and your rack will be on its way to you as soon as we have your mailing information.

After you receive your "adopted" display rack kit, which includes a filled display rack and enough extra books for one complete refill of the rack, please follow these instructions to maximize the potential of your display rack:

Please take a photo of the rack on display and send us the photo along with the name and address of the location. If you use a digital camera, you may email the photo to us. We will add the photo to our website and send a "thank you" note to the display location. Include a contact name at the location if possible.

Here are some guidelines we have found helpful in using the Little Book display racks:

1. The racks are most successful in high traffic areas such as doctor and dentist office waiting rooms, convenience stores, laundromats (preferably those with an attendant on duty), grocery stores, etc. It is our goal to reach the most people possible with the message of salvation.
2. Once you have selected a location, check the rack once a week to see how many of the books are being distributed. Once you verify how rapidly they are depleted, you will know how often to check the rack. Please do not allow the rack to sit empty.
3. When you have verified which book titles are the most popular, be sure to keep an ample supply of those titles on hand. You may contact us by mail or by email and we will send a new supply of books to you. We also have additional racks available should you need them.
4. Pray - ask the Lord to bless your display rack and the lives that the Little Books will touch.

To deliver the gospel of Jesus Christ to as many people as possible.
